

# Fondation Dr Myriam de Senarclens

## MdS - Prize

### Dr Myriam de Senarclens (1921-1993)

Pioneer of psychosomatic  
obstetrics and gynaecology

Co-founder and member of the  
Executive Committee of ISPOG

**The MdS prize is intended to** encourage, support or reward a study, research project or an original work, which treats, from a psychosomatic perspective, a subject in gynaecology or obstetrics.

**Applications are open to** all medical personnel (gynaecologists, obstetricians, psychiatrists...), those working in social sciences (psychologists, sociologists, anthropologists...), nurses, midwives, as well as multi-disciplinary teams.

Prize in the value of **20'000** Swiss Francs will be awarded every 4 years  
For more info please refer to our internet site

**[www.Fdmds.org](http://www.Fdmds.org)**

**Call for projects – until October 4th, 2021**

**Prize distribution – June 2022**
