Prof. Dr. med. FMH Luigi Raio and Prof. Dr. med. FMH David Baud

Via Giuseppe Cattori 18
Lugano

Introduction

On October 8–9–10, 2026, Lugano will become the meeting point for clinicians and ultrasound gynaecologists enthusiasts from Switzerland and across Europe. Designed as a boutique congress, this new and innovative meeting emphasizes interactive learning, clinically relevant education, and meaningful exchange. Bringing together colleagues from Switzerland, Italy, Germany, France, Austria, and beyond, it provides a unique platform to discuss everyday challenges, share expertise, and explore the latest developments in diagnostic ultrasound in an open, collaborative atmosphere.
