

**“Advanced Endometriosis Surgery: Laparoscopic and Robotic Approaches with cadaveric dissection”**

Place: **Sitem Insel, Berne Switzerland**

Date: **10-11 September 2026**

**Organizing Committee:** Dr C. Marti, PD Dr S Imboden, Pr A. Fruscalzo, Dr B. Guani, Pr G. Grimbizis, Pr JM. Ayoubi, Pr M. Mabrouk, Pr G Moawad, Pr MD. Mueller, Pr A. Feki

Support: D. Gallandat, T. Rochat

**Thursday, September 10<sup>th</sup>, 2026**

**07:45 - 08:15      Registration & Welcome Coffee**

08:15 – 08:30      Opening Remarks

08:30 – 10:30      Live Surgery Session Laparoscopic and Robotic Approach

**10:30 – 10:45      Coffee Break**

10:45 – 11:15      Endometriosis Surgery in 2026: Indications, Strategies and Outcomes

11:15 – 11:45      Modern Diagnostic Pathways and Imaging in Endometriosis

11:45 – 12:15      Comprehensive Medical Management of Endometriosis: From First-Line Therapy to Long-Term Control

**12:15 – 13:00      Lunch**

13:00 – 13:30      Endometriosis-Associated Ovarian Cancer: Risk Assessment and Surgical Implications

13:30 – 14:00      Fertility Preservation in Women with Endometriosis: Timing, Techniques and Decision-Making

14:00 – 14:30      Choosing Between Laparoscopic and Robotic Approaches in Complex Deep Endometriosis: Patient Selection, Technique and Complications

14:30 – 18:00      Dissection Workshop on Porcine Uterus

-      Fundamental Principles of Laparoscopic and Robotic Endometriosis Surgery

**19h                      Course Dinner**

**Friday, September 11th, 2026**

**08:30 – 09:00**      **Welcome Coffee**

09:00 – 09:30      Pelvic Compartments and Surgical Landmarks for Deep Infiltrating Endometriosis

09:30 – 10:00      Urinary Tract Endometriosis: Diagnosis, Staging and Stepwise Surgical Management

10:00 – 10:30      Pre- and Postoperative Medical Therapy in Deep Endometriosis: Evidence-Based Algorithms

**10:30 – 10:45**      **Coffee Break**

10:45 – 11:15      Bowel Endometriosis: From Shaving to Segmental Resection – How to Choose the Right Strategy

11:15 – 11:45      Nerve Pathways and Nerve-Sparing Techniques in Deep Endometriosis Surgery

11:45 – 12:15      Diaphragmatic and Extra-Pelvic Endometriosis: Indications, Techniques and Pitfalls

**12:15 – 13:00**      **Lunch**

13:00 – 17:00      Cadaveric Pelvic Dissection Workshop: laparoscopic and robotic stations

- Dissection of pelvic compartments and retroperitoneal spaces
- Ureter dissection and urinary tract involvement
- Intestinal shaving and bowel endometriosis
- Identification of pelvic and sciatic nerves and nerve-sparing techniques

**17:00 End of the course**
